

MARY ISIS- "Lyrical, Transformative, Visionary Medicine Music."

As a Vocalist: Mary has been singing since before she began speaking. Her Voice, melodious and clear, transmits a healing frequency.

As a performing artist: Mary Isis creates a sacred and soul-nurturing space, singing her songs in the spirit of Ceremony- to awaken, heal and empower her listeners. Her songs are lyrical prayers, invocations, affirmations, revelations and celebrations of the sacred journey of life, inspiring soul remembrance of our purpose for being here. A multi-instrumentalist and with worldly inspiration, she is graceful, light hearted and full of gratitude, inviting the attuned presence of deep listening as well as involved participation in singing.

Genre: Mystical Folk, Spiritual Acoustic, Heart Songs, World/Mantra.

Sounds similar to: Snatam Kaur, Alexa Sunshine Rose, Jaya Lakshmi, Tina Malia

Live "Prayerformance"- Acoustic songs accompanied by steel string guitar, ukulele or percussive instruments. Nectar sweet vocals that open the heart and soothe the soul. She plays solo sets as well as co-creative sets with African and Indian Percussion, Violin, Bass and Harmony vocals.
