

MARY ISIS- "Lyrical, Transformative, Visionary Medicine Music."

As a Vocalist: Mary has been singing since before she began speaking. Her Voice, melodious and clear, transmits a healing frequency.

As a performing artist: Mary Isis creates a sacred and soul-nurturing space, singing her songs in the spirit of Ceremony- to awaken, heal and empower her listeners. Her songs are lyrical prayers, invocations, affirmations, revelations and celebrations of the sacred journey of life, inspiring soul remembrance of the purpose of our existence. A multi-instrumentalist and with worldly inspiration, she is graceful, light hearted and full of gratitude, inviting the attuned presence of deep listening as well as involved participation in singing.

Genre: Mystical Folk, Spiritual Acoustic, Heart Songs, World/Mantra, Medicine Music

Sounds similar to: Snatam Kaur, Alexa Sunshine Rose, Marya Stark, Jaya Lakshmi, Tina Malia

Live "Prayerformance"- Acoustic songs accompanied by steel string guitar, ukulele or percussive instruments. Poetic lyrics open the heart and inspire the soul. She holds it down playing solo but also loves being accompanied by her talented musician friends on occasion too.

Recording Artist: Mary has proudly self produced 7 albums of original music.
